# Landing Page

This is the landing page of the application. It allows the user to navigate to the login page, signup page, or forget password page. It has options for both customers and providers.

Access Scope

Any user (customer or provider) can access this page.

Usage Instructions

- Click on the login button to navigate to the login page.
- Click on the Register as Customer button to navigate to the customer signup page.
- Click on the Register as Provider button to navigate to the provider signup page.

Admin Login

This form is responsible for authenticating the admin. It interacts with a database to verify the admin's credentials and then redirects the admin to the admin dashboard.

Access Scope

Any user can access this page.

Usage Instructions

- Enter the admin password.
- Click on the login button to authenticate yourself.

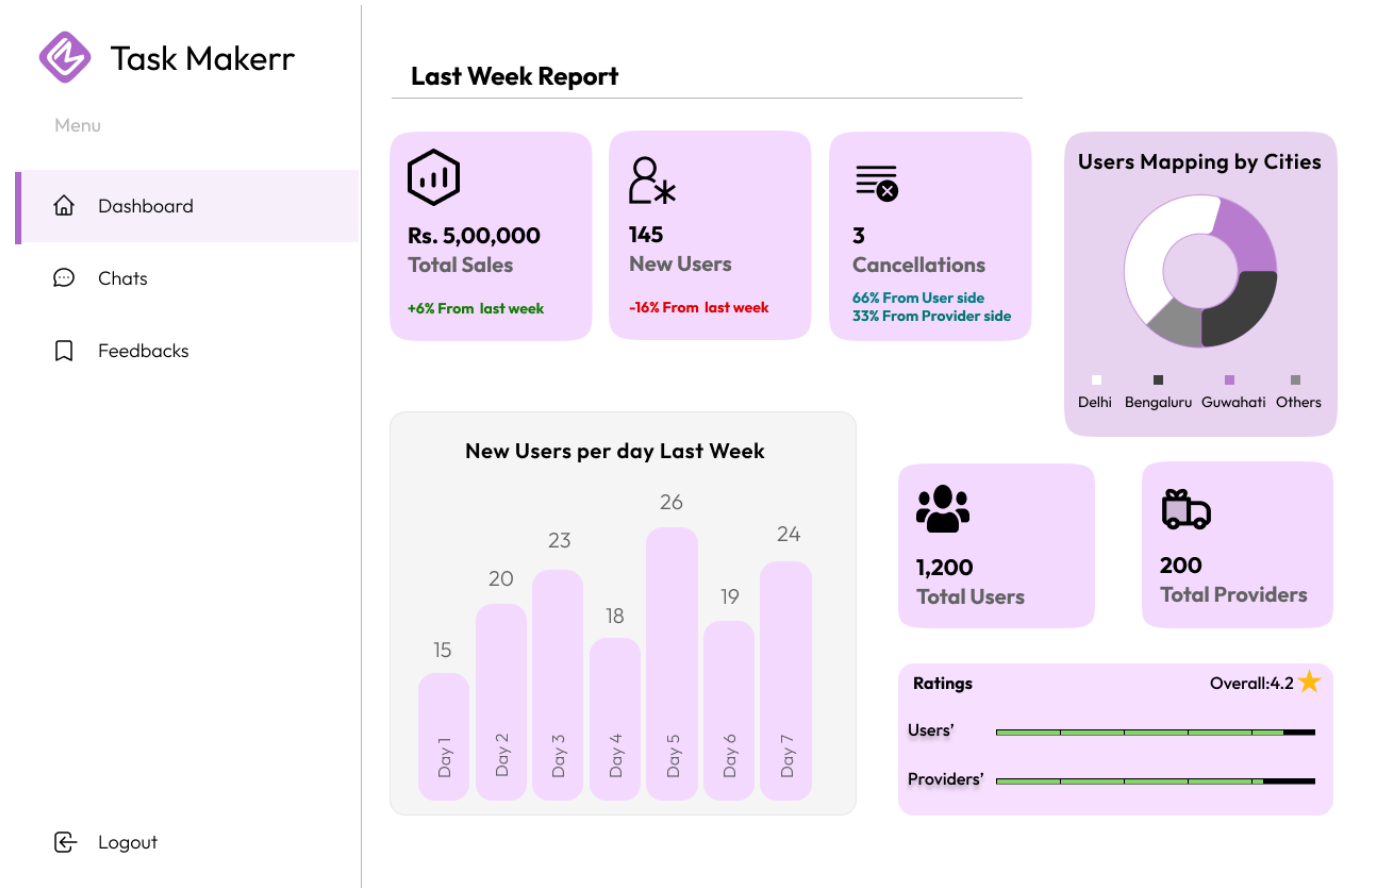

Admin Dashboard

This is the dashboard for the admin. It allows the admin to view the analytics of the system, view all the users, and view all the providers.

Access Scope

Only the admin can access this page.

Usage Instructions

- View the number of users and providers.
- View the number of bookings.
- View the percentage of completed and pending bookings.
- View the city wise counts of deals.
- View the average rating for customers, providers, and overall.

Admin Feedback View

This page allows Admin to view all the feedback received from both customer and provider . The User and Provider tab allows Admin to view corresponding feedback. Rating filter option lets the Admin filter the feedback based on ratings .

Access Scope

Only the admin can access this page.

Usage Instructions

- Click on the User tab to view feedback from customers.
- Click on the Provider tab to view feedback from providers.
- Use the rating filter to filter feedback based on ratings.

👤 **Pratham Goyal**   4.5 ★

 Review your own experience, and explain what the place was like and describe the service that you received. Try to be as accurate as possible, and include both the positive and negative aspects of your visit. Be respectful: Business owners often use feedback to improve their offerings.

👤 **Priyanshu Raj**   4 ★

"I had an amazing experience with this company. The customer service was outstanding, and the product was exactly what I was looking for." "I was so pleased with the service I received from this business. They went above and beyond to help me find the perfect item."
